

CABINETCORP™

CabinetCorp was founded on the shoulders of industry professionals with more than 60 years of combined cabinetry experience supplying finished wood products to the construction and home building industry. Our business materialized from a passion to achieve an unmet need to simplify the process of remodeling outdated, unattractive and non-functional kitchens.

With our nationwide reach, we bring exceptional value and quality ready-to-assemble cabinetry directly to contractors, designers, and builders all over the globe. The ease of our online ordering system, our abundant inventory, and industry leading lead times makes us the only superb choice for RTA cabinetry.

Quality:

We offer ready-to-assemble and pre-assembled cabinetry in various door styles and color choices, simple closet solutions, as well as accessories. Designed to the highest standards in style and function with efficiency in mind, our durable construction and quality finish ensure longevity. Unlike other cabinet suppliers, we provide a limited lifetime warranty on all our cabinets and products, as well as a satisfaction guarantee.

Service:

Our commitment to customer service ensures your satisfaction throughout every phase of your project. CabinetCorp's goal is to provide valuable industry related information to make it easier for contractors to get the quality cabinets that their clients are wanting in the quickest way possible. Our customer service team and design staff are readily available to answer your calls, emails, or chats. We welcome your comments, questions, or concerns.

Specification Manual

Dealer Policies

- As an authorized CabinetCorp dealer, it is **YOUR** responsibility to communicate our policies, product information, order information, claim information, etC. to your customer.
 - **CabinetCorp will not provide any details to your customer at any time nor will we be held responsible for any inaccurate information provided by you or your associates.**
- All online resale of CabinetCorp products must be approved PRIOR to offering it for sale.
 - If online resale is approved by CabinetCorp, you are only allowed to resale on the website specified at the time of approval. Approval for resale on additional websites will need additional approval from CabinetCorp.
- Prior to publicizing your selling price, all dealers must adhere to the minimum advertised price as confirmed with your CabinetCorp representative.
- CabinetCorp will not accept shipping damage claims for warehouse pick up orders that are later shipped at dealer's discretion.

Order Processing & Payment

4

- All orders from CabinetCorp approved dealers will be accepted online only.
- **Full Payment is required before an order will be processed.** (This includes backorders and approved written add-ons).
- It is the responsibility of the consumer to check all measurements and SKUs prior to ordering to confirm you are ordering the accurate pieces. CabinetCorp will not be responsible for ordering errors.
- Payment can be made by Credit Card, Debit Card, or PayPal.
- Once an order is in process, no changes can be made. Additional items can be processed online as a new order.
- **Shipped Order Lead Time:**
 - LTL Freight shipping is available for all flat pack orders and will ship within 3-5 full business days.
 - Assembled orders are processed and shipped within 15 full business days.
- **Warehouse Pickup Order Lead Time:**
 - Flat pack warehouse pickup orders are processed and made available for pickup within 3 full business days.
 - Assembled warehouse pickup orders are processed and made available for pickup within 15 full business days.
- **RUSH ORDERS** will be processed for an additional fee for **flat pack orders ONLY.** (All orders with rush services are subject to total item quantity review.) The "Rush Fee" only applies to warehouse processing time and does not apply to transit time to your destination.

- Same day warehouse pickup is available for flat pack orders placed by 12:00 PM (local warehouse time) and require a minimum 3 hour processing time.
- Same day shipping is available for flat pack orders placed by 12:00 PM (local fulfilling warehouse time). Orders placed after 12:00 PM will be processed the following business day.
- Rush Advantage is unavailable for assembly orders and discontinued lines. Combined orders subject to refund of rush fee.
- Rush Advantage must be selected at the time of checkout.
- "Day One" starts on the **NEXT** full business day after the order is placed.
- Cancellations after the order is picked will be subject to a 15% processing fee.
- Cancellations made after an order is shipped are subject to a 25% restocking/processing fee.

Assembly & Modifications

- Assembly and limited modifications are available for warehouse pickup and freight shipped orders (from select warehouse) for additional labor and shipping fees as calculated by the website.
- A limited number of modifications are available **ON FRAMED ASSEMBLED ITEMS ONLY**, including:
 - Increased Depth
 - Decreased Depth
 - Prep for Glass: Route Door(s) & Finish Interior
 - Double Oven Conversion
- Modifications exempt the entire order from normal lead times and can take up to an additional 5 business days for completion.
- **Full payment must be received** prior to start of modifications.

5

Shipping & Delivery

- All LTL freight orders are packaged in individual boxes, placed on a pallet, shrink wrapped and strapped.
- All LTL freight shipping charges are calculated online at the time of checkout.
- CabinetCorp reserves the right to fulfill orders between multiple shipments from different distribution facilities, without prior notification to the customer and with no additional cost applied.
 - If a customer requests changes to their selected shipping method after the time of checkout additional charges may apply

LTL Shipping

- There is a 2-5 business day standard transit time with LTL carriers. **Please account for at least one extra day for residential deliveries and deliveries requiring a scheduled delivery appointment.**
- **Shipping charges must be paid for when your order is placed online.** (Orders exceeding standard LTL sizes are subject to additional fees for Full Truckload shipping).
- You will receive a tracking number by email the day after the order has shipped.
- All destinations must be **tractor/trailer accessible**, or Limited Access fees will be applied.
- For residential deliveries and deliveries requiring appointments, the **freight company will contact you** 24 hours in advance to schedule the delivery (usually a 3-4 hour window).
- Shipping charges cover ONE delivery attempt. The customer is responsible for any additional shipping and handling charges for delivery failure due to customer circumstances.

LTL Delivery Policies

- The driver is only responsible for placing the pallet on the ground for deliveries that had lift gate services selected at the time of check out.
- Address classifications are based on city zoning; therefore, it is possible to have a commercial property in a residential area. In this case the delivery would be considered residential, and subject to the residential delivery fees and conditions.
- A responsible party must be present to inspect, inventory, and sign off on delivery.
- Regional delivery services are available in select markets. Rates and delivery services vary by market.
 - You **MUST** notate if the number of pallets delivered does not match the number listed on the driver's delivery receipt copy.
 - Careful inspection of packaging conditions is vital to file freight claims. Any visible damages must be noted on the paperwork when signing for the delivery, as well as documented with photos. Even if you are not sure if the contents inside contain damages due to the exterior's condition, you **MUST** indicate on the delivery receipt to be able to claim concealed damages in the future.
 - Do **NOT** reject damaged items. The delivery should be accepted, with documentation of the damage, and a claim should be filed online. SEE IMPORTANT NOTES IN MISSING AND DAMAGED ITEMS SECTION TO FOLLOW.

Warehouse Pick Up Orders

- Orders **MUST** be picked up within **10 business days** of receiving the ready for pick up email notification.
- After ten business days has passed, storage fees will begin to accumulate as follows:
 - \$25/day per open order
 - Fees will accumulate up to two weeks maxing out at \$250
 - Five weeks after the ready for pickup notification has been sent, the order will returned to inventory and refunded less the max \$250 and a 10% restocking fee.

- If storage fees are applied to your order(s), the order(s) will be released for pickup after any fees assessed are paid for in full.
- Orders placed for warehouse pick up are not palletized, wrapped, or strapped for shipping purposes.
 - If you are sending a delivery service that requires secure palletizing of products the order will incur additional packaging & labor fees and must be approved by CabinetCorp prior to pick up.
- For liability purposes, CabinetCorp will not help load warehouse pick up orders without approval from the pickup party
- CabinetCorp will not accept transit damage claims on warehouse pick up orders that are picked up and/or shipped with delivery services contracted out at the dealer's discretion.

Replacements for Missing or Damaged Items (Including Concealed Damage)

- CabinetCorp has final determination of resolution for any manufacturer warranty claims submitted. Solutions should be discussed with CabinetCorp prior to being promised to the end customer.
- Blemishes or other damages not impacting the structural integrity of a cabinet will not warrant a full cabinet replacement. CabinetCorp reserves the right to provide alternative products or components as solutions.
- Freight claims for obvious damage or shortage can only be accepted **when indicated on the bill of lading.**
- Freight damage claims must be filed within 5 business days. No claims will be allowed without the proper paperwork noting the damage at the time of delivery.
- To file a claim for a damage or a shortage, please log into our website and use our damage claim module.
- The following must be included to process the claim:
 - Order number
 - Buyer's name
 - Shipping address for replacements
 - Brief description of damage or shortage, including item numbers and/or parts
 - Picture or video of the damage are required
 - Picture or video of the damaged packaging and product are required to be eligible for full replacement
- Upon receipt of the damage claim, we will review the request within 48 business hours. Replacements will then be shipped out within 24-48 hours.
- Expedited shipping service is **NOT** available for replacements and/or parts.
- All damages must be documented and reported upon opening the boxes.
 - Missing items must be reported within **one week** from delivery.
 - Concealed damages must be reported within **15 days** from delivery.
- Items that have been assembled and installed **cannot** be claimed as damaged.
- **CabinetCorp cannot be held responsible for any labor costs accrued during the installation of any of its products sold via any of its channels of distribution. This includes, but is not limited to, items that may be flawed or have become damaged in transit.**

Return Merchandise Authorizations (RMA)

- All returns must be authorized by CabinetCorp prior to return shipment.
- For authorization, please send an email request to support@cabinetcorp.com
- Returns must be received by CabinetCorp within 14 days of purchase.
- All items must be returned in original, unopened packaging, therefore **NO RETURNS ON ASSEMBLED CABINETS.**
- No returns on trims, mouldings, fillers, panels or 3rd party vendor items.
- No returns on discontinued cabinet styles.
- QUALIFYING returns will incur a 25% RESTOCKING FEE.
- The customer is responsible for setting up and covering all return shipments.
- Any returned product DEEMED UNSELLABLE **WILL NOT RECEIVE CREDIT.**

Marketing Policies

- CabinetCorp cannot be held liable for applicable marketing costs for marketing our products.
- Private labeling is done at dealer's discretion.
- The use of any images and sales materials in your private label marketing can be released by emailing team@cabinetcorp.com.

Third Party Design Programs

- CabinetCorp does not guarantee the accuracy of any third party design software. This includes (but is not limited to) 2020 Design and ProKitchen Design softwares.
- Please refer to your dealer portal for accurate information on CabinetCorp product specifications and pricing.

Construction

Are your cabinets constructed with solid wood?

Framed Collection

- *Doors & Drawer Fronts* -
 - All stained doors, drawer fronts, and frames are constructed from 3/4" solid Birch hardwood. Our Cambridge Sable style has a solid birch center panel, while our stained Shaker Charcoal Gray has a veneered MDF center panel.
 - Our painted styles feature an all HDF door: Shaker White, Shaker Gray, Shaker Dusk, Shaker Antique White, Tacoma White, and Cambridge Antique White.
- *Cabinet Box* - Our framed cabinet boxes are constructed from solid Birch hardwoods and furniture grade plywood. All materials are CARB2 compliant for standard US restrictions for formaldehyde emissions.
- *Drawer Box* - Our framed cabinetry features four-sided drawer boxes constructed from 5/8" thick solid hardwood, dovetail joints, and a fully captured 3/8" thick plywood floor.

Frameless Collection

- *Doors & Drawer Fronts* -
 - Our Tempo style feature a fully edge banded, thermofused textured melamine over engineered wood, with a matching back.
 - Our Palena style features a fully edge banded, high-gloss PET laminate over engineered wood, with a matte melamine back.
 - Our Vienna style features a five-piece HDF painted door.
- *Cabinet Box* - Our frameless cabinet boxes are constructed using MDF and furniture grade plywood. All materials are CARB2 compliant for standard US restrictions for formaldehyde emissions.
- *Drawer Box* - Our frameless cabinetry comes standard with our altamax drawer box. The altamax drawer box is a four-piece construction box complete with 1/2" thick metal sides and 5/8" thick thermofused melamine engineered wood back and floor.

How is the interior of the cabinet finished?

Framed Collection

- Our framed cabinetry comes standard with UV coated natural interiors. Glassdoor "GD" cabinets have interiors that are painted or stained to match the exterior.

Frameless Collection

- Our cabinet boxes feature a grey linen thermofused melamine in and out.

Are your cabinets CARB2 certified?

Yes, all CabinetCorp products are 100% in compliance with CARB Phase 1 & CARB Phase 2 defined guidelines of composite wood products.

Are your cabinets strong enough to support a granite countertop?

Our plywood core construction for all of our cabinets ensures the strength required to support granite, concrete, or any other countertop material that you may select. No additional cabinet reinforcement is required.

Do your cabinets have soft-close doors and drawers?

Soft-close doors and drawers are standard on all of our current cabinet collections (excludes select discontinued styles).

Is a finished panel required for exposed cabinet ends?

Framed Collection

- No, all of our framed cabinets come with finished exteriors.

Frameless Collection

- Yes, features a standard grey linen thermofused melamine exterior, so panels will be needed to finish the exposed ends.

How much weight can the cabinet drawers hold?

Framed Collection

- Our framed cabinet drawer boxes have a weight capacity of 70 lbs.

Frameless Collection

- Our drawer boxes have the following weight capacities:
 - K-height (5") 88 lbs
 - C-height (6-¾") 132 lbs.

Do you sell paint color or stains that match the finishes of the cabinetry you offer?

We do not carry the paint color or stains to sell direct but we have partnered with Sherwin Williams for easy access to purchase our finishes. Simply visit a Sherwin Williams in your area, let them know you are interested in a custom paint color or stain from their National Accounts database under the name 'BGI'. Once the store associate has accessed the account successfully, provide them with the paint color/stain you are looking for: **Cambridge Antique White:** BGI-CW, **Cambridge Sable:** BGI-CS, **Tacoma White:** BGI-TW, **Shaker White:** BGI-SW, **Shaker Antique White:** BGI-SA, **Shaker Dusk:** BGI-SD, **Shaker Gray:** BGI-SG, **Shaker Charcoal Gray:** BGI-SC, **Vienna Pristine Blanco:** BGI-VPB, **Vienna Simple Grey:** BGI-VSG, **Vienna Majestic Navy:** BGI-VMB

Retail locations can accomplish matching any paint color for your projects however, paint color/stains are only recommended for smaller items such as trims & mouldings. For an accurate match for larger items, you will need to contact a Sherwin Williams Professional Coatings Group.

Ordering

What forms of payment do you accept?

We accept all major credit cards (Visa, American Express, MasterCard, and Discover), debit card & PayPal.

How can I check the status of my order?

You can view the progress of your orders by logging into your account and selecting "Orders" under the "My Account" dashboard dropdown menu. The order status will be displayed next to your order as well as an email notification being sent to the account holder.

Do you offer credit terms?

We currently do not offer any sort of credit terms to our customers. All orders must be paid in full prior to processing and shipping any orders.

What is your return policy?

We do accept returns in certain circumstances. Please see the 'Return Merchandise Authorizations (RMA)' section of our Terms & Conditions for details.

Delivery

How do you ship your cabinetry?

Most orders will be shipped on a pallet via an LTL (Less than Truckload) carrier. Some smaller items may ship through a small parcel carrier.

How long will it take to receive my cabinets?

Flatpack Orders

- Flatpack orders are processed and shipped out of our facilities within 3 to 5 full business days. Transit time to your location can vary from 1-6 business days depending on your location and the services required at delivery. (Backorders are exempt from normal lead times.)

Assembled Orders

- Standard assembled orders are processed and shipped within 10 to 15 full business days. Transit time to your location can vary from 1-6 business days depending on your location and the services required at delivery. (Backorders and modification orders are exempt from normal lead times.)

What if my delivery includes damaged cabinets?

If your order is received damaged, please notate any damages with the freight company on the delivery receipt when accepting the delivery and take photos of the damaged items. Most importantly, do not refuse the shipment. Submit a claim online with the photos of the damages or send them immediately to team@cabinetcorp.com. CabinetCorp will review and replace damaged pieces in a timely manner.

Limited Lifetime Warranty

Brothers Global Inc warrants to the original consumer purchaser that CabinetCorp cabinetry, door hinges, and drawer glides will be free from defects in material and workmanship under normal use and service for the lifetime of the product (Proof of Purchase is required). This warranty is not transferable and only applicable to product used for residential purposes. Representatives of CabinetCorp do not have the authority to change or enlarge this warranty.

This warranty does not cover normal wear and tear, damage or defects caused by accidents, misuse, abuse, or lack of necessary maintenance; nor does it cover alteration, modification, improper installation, improper handling / storage, environmental conditions, nor any labor expenses.

Brothers Global Inc., at our option, may elect to repair or replace with a functionally equivalent product any CabinetCorp product covered by this warranty. Some replacement parts are subject to availability and may differ from original parts received. Return of defective product may be required for a replacement to be issued. Repair parts or replacement parts are at the expense of Brothers Global Inc., but customer shall bear all other expenses. These expenses may include, but are not limited to, cost of removal and re-installation of product, labor expenses, etc.

Just as no two trees are alike, no two pieces of wood are alike. The variation in color and grain pattern in wood adds to its natural beauty and is not considered an imperfection. Environmental factors, including but not limited to artificial / natural light, moisture, cleaners, smoke, etc, may cause the darkening or mellowing of a cabinet over time. This is a natural process and can be expected. This warranty does not cover the natural aging or darkening / mellowing of wood color, the inherent growth characteristics of, or variation in wood.

Some of the cabinet lines feature a glazed finish which accentuates the door and drawer front profiles. This glaze is hand applied over a stain or paint and may, due to the nature of application, consist of random drips, runs, etc. As glazing is a hand applied process, there will be variations in color and appearance from door to door and cabinet to cabinet. This is not considered a defect and is considered normal with hand applied finishes. It is the nature of wood to expand and contract to varying degrees depending on climate conditions. As a result, cabinet lines with painted surfaces may show fractures in the paint at joints. This is normal and is not considered a defect.

This warranty is valid only in the United States of America and Canada and is not transferable. All implied warranties are limited in duration to the shorter of the period provided by law or the period of this warranty. To the extent permitted by law, this warranty excludes special, incidental, or consequential damages. Some states do not allow the exclusion or limitations of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights; you may have other rights which vary from state to state. To exercise this warranty, please contact the CabinetCorp supplier from whom you purchased the product. Report, in writing, to team@cabinetcorp.com all defects claimed and include proof of purchase documentation.

17

FIG 1.1: FINISHED SIDE PANELS

Our frameless cabinet boxes feature a universal grey linen box color in and out. When designing a 3/4" panel is required anytime there is an exposed end. Remember to also use a panel next to appliances or when varying cabinet heights are used.

Protip - To align the wall and base cabinets, use a WEP1530 (cut in half) as a filler on the base cabinets to correspond with the panels on the wall cabinets. See FIG 1.1

Frameless side panels are oversized and designed to be trimmed down in order to come flush with the door front, giving an inset appearance.

When using in an island or peninsula application, the finished panel should be flush with the back panel and door/drawer front. See FIG 1.2

FIG 1.2: FINISHED SIDE PANELS

FIG 2: FILLERS

Our fillers include a backer and separate front overlay piece. The backer is the same grey linen color as the cabinet box, and the overlay filler matches the door material. See FIG 2

Frameless base end panels can either be installed with a recessed 4-1/2"H toe kick, or they can be used at full height and placed directly onto the floor. See FIG 3

FIG 3: END PANEL INSTALLATION TYPES

*To maintain the contemporary style, we offer Wall Easy Reach cabinets and a full range of Blind Corner cabinets as a clean-lined alternative to a diagonal corner.

FIG 4: TOE KICK BOX

When designing islands and peninsulas, it is not recommended to use the adjustable legs at the base of the cabinetry, as this can cause slipping. To ensure stability, a **toe kick box** can be secured to the floor, then the cabinets can be attached to the toe kick box frame. See FIG 4

Our Tall Cabinets feature a 72"H standardized box. To reach the desired overall height of either 84, 89 or 94"* , a wall cabinet can be stacked on top of the tall cabinet can be stacked on top of the tall utility box.

Our 24" deep wall cabinets are available in heights of 12, 18 or 23". See FIG 5

FIG 5: UTILITY CABINETS

FIG 6: LIGHT RAIL

To construct a light rail, utilize toe kick molding with the light strip tucked behind.

The toe kick can be cut down to the desired length and height. See FIG 6

Our base cabinets are designed without an integrated toe kick. The cabinets come with adjustable legs, and the toe kick can be attached onto the front of the legs. See FIG 7

FIG 7: ADJUSTABLE LEGS

*Refer to specifications for exact heights and depths on cabinets, fillers and panels.
