

Cabinet Corp's goal is to provide a good service from start to finish. See below tips and procedures to prepare for an efficient pick-up experience!

STEP 1: Select your pick-up method at the time of checkout.

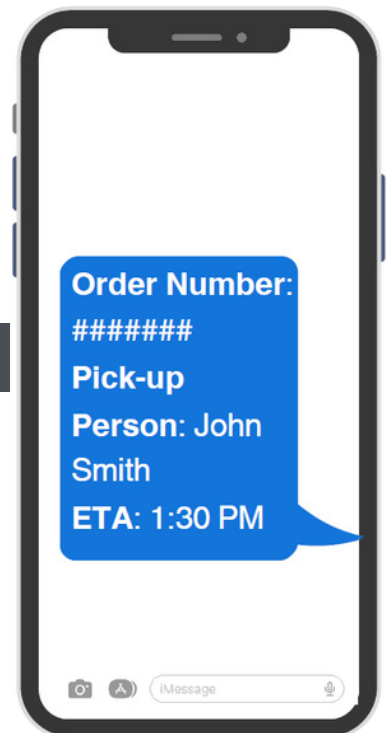

STEP 2: Text ahead to let us know you are on the way.

(470) 795-8707

* STANDARD TEXTING RATES WILL APPLY *

GUIDELINES

- Orders of 10 items or fewer qualify for same-day pickup without a rush fee.
- Dropship items aren't eligible for warehouse pickup.
- After 10 business days, a \$25/day storage fee per open order applies.
- Storage fees cap at \$250 over two weeks.
- After five weeks, unclaimed orders are returned to Inventory and refunded, minus \$250 and a 15% restocking fee.
- Orders are released for pickup after all storage fees are paid.
- Warehouse pickup orders are not palletized, wrapped, or strapped for shipping.
- Orders requiring palletizing for delivery services incur extra fees and need CabinetCorp's approval.
- Orders must be picked up safely; CabinetCorp isn't liable for weather or equipment related damage.
- CabinetCorp won't accept transit damage claims for pickup orders shipped via third party delivery services.

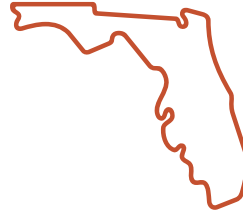

INSTRUCTIONS BY STATE:

California

Drive around the black gates to the first door marked "Will Call/ FedEx" and check in with Customer Service.

Florida

There is one entrance. Inside, follow the signs: one to the warehouse in the back and one to the front office for check-in.

Georgia

Use the second entrance, turn right, go to bay door 46, and check in at the office on the left.

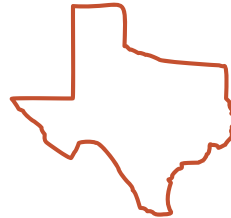

Illinois

Check in at the front office. Loading is at the ramp door by the loading dock.

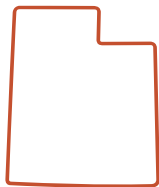

Massachusetts

Proceed straight to the shipping office for check-in. Avoid turning right in the parking lot.

Texas

Continue down "Fall brook" to the back lot and back up to the large roll-up door.

Utah

Enter through the front door marked "Suite 90" to check in. Then drive up to the rollup door labeled "1."

WHAT TO EXPECT:

- Please ensure you bring an adequately sized vehicle to transport your load (sedans and coupes are generally not recommended). We also suggest using tarps and straps for any open-air truck beds or trailers.
- You will be required to provide the order number and the name of the designated pickup person.
- The office will provide instructions on where to proceed or wait based on pickup traffic conditions.
- Please ensure you have adequate assistance to safely load your vehicle; however, warehouse staff can assist if necessary.
- You will need to sign to confirm that you have verified and accepted everything you received.
- Larger warehouses will prioritize picking orders of 10 items or fewer upon arrival to optimize floor space; this process may take up to 30 minutes.
- Any accrued storage fees must be settled at the time of pickup to release the product.
